## **ROAD COURTESY**

The Organisers encourage tolerance and co-operation between ALL road users. As cyclists we can help by acknowledging other road users who show us consideration. Equally when appropriate be ready to give way to other traffic. **A wave and a smile goes a long way towards making friends!**

## **HORSES**

Please slow down and be very careful and courteous when passing horses. Call out to the horse rider as you approach to let them know you are coming, a bike bell can startle the horse. Pass in small groups on the right. Large groups of cyclists are very scary for horses. If necessary allow the horse rider to find somewhere safe to stop, allowing you all to pass.

## **FEEDING / WATER STATIONS.**

**Food station are for the benefit of riders, not their families and friends.**

The two Food Stations on the 60 mile route and the three on the 100 miles are fairly evenly spaced, though the 100's first is not till 32 miles. There is one Food Station on the 30 mile route about 18 miles into the route.

Food station provisions include water, energy drinks and squash, jam or Marmite sandwiches, homemade flapjacks, fruit cake and malt loaf, mini bars from Marshfield Bakery, jelly babies and

some savouries. But they are only intended to top-up your own food which you should carry from the Start. Please only collect what you need to complete the next section of your ride. Don't rely on the feed stations as your only source of food and drink. Toilets are available at all the Feeding / Water Stations. For minor injuries there will be a First Aid kit at each food station. For anything more than minor cuts and bruises then you should use the Emergency Services by phoning 999. There will also be a track type tyre pump if you need to top up the air in your tyres. Some common size tubes and spares may be available for purchase.

### **TOO FAR TO THE NEXT TOILET?**

If you are desperate to urinate and toilets at food stations are still too far away, please be discreet and keep out of sight, away from houses and public places.

### **EVENT TIMING.**

There is one intermediate Check-point for the 100 milers **and it is the responsibility of all those riding the 100 mile route to make sure they check in at this check-point. No check-in record = no 100 mile time.** There are no check-points on the 60 or 30 mile routes.

### **MEDAL TARGET TIMES.**

Medal times for each group of riders will be shown on the Event website [www.sodburysportive.co.uk](http://www.sodburysportive.co.uk) and will be displayed on the notice board at the Start / Finish venue.

### **FINISHING PROCEDURE.**

At the end of your ride, you need to cross the finish line to record your official time. As soon as you have finished, please park your bike. Bikes are left at your risk so you should secure your bike in the bike stand or in your vehicle. Showers are at the club house and the Food ticket given you entitles you to some free hot food and tea or coffee. You can buy other food and the Club bar will be open for buying cold drinks.

Finishing times will be displayed as soon as possible on the day and also appear on the website within a few days.
